## **SIGNIFICANCE OF THE EMBLEM**

This premier Institution has been named after the great saint and savant, **Sri Shiridi Sai Baba**, the presiding deity and guiding spirit of the Institution. The Emblem of the college symbolizes the aspirations of the institution. *Thamasoma Jyothirgamaya* is a line from **Brihadaranyakopanishad**. It means 'lead us from darkness to light.' It is the darkness of ignorance, while the light stands for knowledge. The book in the emblem symbolizes education and the lotus suggests the flowering and awakening of intelligence. *Vidyaya Amruthamasnuthe* is taken from the **Isavasyopanishad**. It means, by acquiring *Vidya* (Ultimate Knowledge), one can attain immortality.

## EDITORIAL ....

We, the members of the Handbook Committee, congratulate all the first year students on gaining admission to this great institution appreciating the advantages of autonomy in higher education. We are confident that the congenial academic ambience will certainly help them accomplish their right ambitions.

We are glad to announce that the achievement of 66% of results by the 9th batch of students of 2013-16 is the obvious outcome of the committed and continuous efforts of our beloved correspondent Sri P.L.N. Reddy, Secretary Sri Meda Subramanyam, Principal Dr. P.P.V.D. Naga Trisula Pani and of the highly qualified and experienced staff members. Indeed, **Autonomy** and the **College with Potential for Excellence** status by the **UGC**, have facilitated the achievement.

We have properly revised and updated the information on various aspects for the benefit of the first year students. The hand book offers detailed information regarding autonomy and its added advantages, academic plan, internal and semester system of evaluation, **Choice Based Credit System (CBCS)** and infrastructural facilities, service units and a variety of scholarships available to the students. It also provides details about other important units like Career Guidance and Placement Cell which provide useful information for students on various employment opportunities in the job market. We hope that the information will properly guide the students. The details of the staff and various committees working in the college regarding different aspects are added at the end of the book. We are sure that the best infrastructural facilities including the English Language Lab and student support systems will not only make the students proficient

in the subject knowledge but also make them learn various other skills required such as soft skills and communication skills in English. If the students make use of the excellent facilities provided by the College, no doubt they will be moulded into intellectually strong, physically robust, emotionally stable and socially responsible citizens.

We express our grateful thanks to the Management and the Principal for entrusting the responsibility of bringing out the handbook and for their constant guidance and encouragement. We are also thankful to all Heads of Departments and other staff members who have promptly furnished the required information.

## THE COLLEGE

A small elementary school, started by the late Sri Sirivaram Adinarayana Rao, a visionary philanthropist, in 1944 rightly realizing the fact that education was the express need of this backward area, has now extraordinarily grown into a full-fledged College imparting quality education through its Undergraduate and PG Courses.

The long – cherished wish of this backward region of Rayalaseema to have a premier Higher Educational Institution in the Private Sector was fulfilled when **Sri Sai Baba National Degree College** (named after Sri Shiridi Sai Baba) was established as per the G.O.Ms. No. 1016 dated 07-09-1981. This co-educational Institution was inaugurated by **Sri. Bhavanam Venkatarami Reddy**, the then honourable Minister for Education, Government of AP, on 14-12-1981. Sri Venkateswara University, Tirupati, granted permanent affiliation to the college on 20-05-1987. Subsequently, it was affiliated to Sri Krishnadevaraya University, Anantapur, from the academic year 1987- 1988. The Govt. of AP was pleased to admit this college to Grant-in-Aid with effect from 16-04-1990 vide G.O.Ms. No. 170, Edn. dated 12-07-1990 with a view to make education available to the poor and needy in this backward area.

**The Anantapur District National Education Trust** (Regd.), Anantapur, represented by the elite of the town from all walks of life, manages this private aided Institution. Supported by its most experienced, competent and committed faculty, and excellent infrastructural facilities, the Trust has made it possible to impart quality education at a very reasonable and affordable fee structure for two and a half decades. With a view to keeping pace with knowledge explosion and to give employment orientation to education, this College started self-financing UG Courses from the academic year 1993-1994. This Institution which had a student strength of about 500 at the end of the academic year 1983-1984, is now able to maintain more than 2530 students including 1354 girls. At present, there are as many as 80 highly qualified and richly experienced teaching staff and 10 guest faculty to take care of the educational needs of the students of 18 UG and 7 PG Departments. This incredible growth bears testimony to the all-round success that has transformed the college into an outstanding educational Institution in the region.

As the college stood the test of time and emerged as a trusted educational institution, the **University Grants Commission, New Delhi** granted **Autonomous Status** to the college from the academic year 2005 – 2006 in accordance with the New Education Policy, 1986. The **Autonomous Review Committee** visited the college and extended the same status upto 2017 for the best performance of the institution during the past five years. Thus, the institution has earned a unique distinction of being the only autonomous college in the whole district.

With this glorious background this Autonomous institution is marching ahead with robust optimism, strength and vigour to achieve the vision of its founder Sri Sirivaram Adinarayana Rao.

## **POINTS OF PRIDE**

### **AUTONOMY**

Autonomy is proved to be a symbol of great success in the field of higher education. It creates conditions for educational freedom from the academic rigidities of the affiliating system of higher education. It mainly aims at improvement in standards of teaching and learning, commitment to the cause of education, modernization, innovation and reforms so as to make the educational system more meaningful and relevant to the fast changing needs of the modern society.

### **Advantages of Autonomy**

An Autonomous College has the following advantageous activities to perform for quality education and transforming students into worthy members of modern society.

1. Regularly revises and updates its curricula appropriate to the changing needs.
2. Designs and introduces innovative programmes.
3. Enjoys total freedom regarding administration.
4. Prepares its own academic schedule and evaluation procedures.
5. Conducts examinations and declares results on time.

As part of its innovative efforts to help the students successfully face the challenges in the ever-changing and highly competitive world, the college has introduced **Choice Based Inter Disciplinary Electives**.

While enjoying the above advantages for an effective educational system, the Degree College will continue to remain affiliated to S.K. University so far as the award of degrees is concerned. The content of the academic courses is based on S.K. University model to enable students to pursue P.G. studies of their interest.

### **NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)**

The National Assessment and Accreditation Council is an autonomous body of the **University Grants Commission, New Delhi** to assess the quality of Higher Education in the institutions of Higher Learning throughout the country. The **Assessment** and **Accreditation** of our College at the 'A' level by NAAC in 2007 and **Re-accreditation** in 2013 have given us a right opportunity to create an excellent teaching and learning environment.

### **COLLEGE WITH POTENTIAL FOR EXCELLENCE (CPE)**

Recognising the overall quality performance of the committed, highly qualified and richly experienced staff aided by the most modern infrastructural facilities, the **University Grants Commission (UGC)** has conferred on the institution the status of the '**College with Potential for Excellence (CPE)**' for the year 2010. It is a matter of pride to say that the college is one of the 149 colleges in the country to achieve the much sought-after status. The CPE status has been extended for a period of five years.

## **INFRASTRUCTURE**

This College has excellent infrastructure that can contribute to the all-round development of every student.

### **i. Library**

A spacious Library building is one of the greatest advantages to the students of this College. It has an incomparably vast and comprehensive collection of research and reference books and journals. It was inaugurated by **Prof. G. Rami Reddy, the then Chairman, UGC, New Delhi** on 11-07-1994. The library has a rich collection of over 40,000 books on various

subjects. Besides, it has been serving both faculty members and students with various newspapers, magazines, periodicals, journals, reference books, dictionaries and encyclopaedias.

## **ii. Auditorium**

A very modern and sophisticated auditorium was built and named after **Sri Sirivaram Adinarayana Rao**, the founder of the Institution. It was inaugurated on 22-05-2013 by Mrs. Anne Ferrer, President of the Rural Development Trust, Anantapur.

## **iii. Laboratories**

All science departments have spacious and well-maintained laboratories equipped with modern scientific instruments essential for effective conduct of practicals for the degree students.

Each of the Departments of Physics, Electronics, Botany, Zoology, Statistics, Microbiology, Biochemistry and Biotechnology has two laboratories while the Dept. of Chemistry has three laboratories. In addition, the Department of Computer Science has three laboratories fully air conditioned. All these labs maintain standards better than a University. Besides, the Departments of Chemistry, Electronics and Physics of our PG College have three separate well-equipped laboratories.

## **iv. Rooftop Solar Power Plant**

The Management has rightly recognised that 'Soura Sakthi' is a right solution to the growing conventional electricity bill. So, a 'Soura Sakthi' 70 KW power grid - tide roof top solar power plant which is first of its kind in Rayalaseema was installed in the college on 01-02-2014. It will not only reduce the electricity bill but also ensure continuous power supply to the College.

## **v. Indoor Stadium**

An international standard indoor stadium is being built at the cost of Rs. 1.5 Crore to provide facility for Volley Ball, Badminton, Table Tennis, Kabaddi etc. with a built-in area of 36x24x12 mtrs. along with a most modern Gymnasium. These will be opened shortly for the use.

## SPECIAL FEATURES

### i. Academic Excellence of Staff

The unique distinction of the College is that **30** of its staff are Ph.D. Degree holders, **20** of them are Associate Professors. Many of them have participated in a number of Symposia, Seminars and Conferences in their respective fields. They have enriched their knowledge by contributing research articles to various National and International Journals.

### ii. Research Activity

A distinct feature of our Institution is the establishment of Research Centres in the Departments of Electronics, Physics, Chemistry and Mathematics. Sri Krishnadevaraya University, Anantapur accorded permission to the Associate Professors of the departments to guide M.Phil and Ph.D. Scholars.

Apart from producing research articles, our faculty members have also been acting as Research Supervisors guiding M.Phil. and Ph.D. Scholars of various Universities in the Country.

The following are the details.

### v. English Language Lab

In the event of English gaining momentum as a Language of opportunities, a fairly high degree of proficiency in English and excellent communication skills enhance students' employability. Keeping this in view a most modern English Language Laboratory with 42 systems, Internet and an LCD facility has been established. The teachers, with the help of the lab, have been creating conditions to develop the students' ability to use English accurately, appropriately and fluently both for face to face and telephone communication in academic, social and work place situations. The students have the additional advantage of special software for teaching grammar and other skills of employability.

Familiarising the students with the speech sounds of English and their symbols, the basics of oral communication, using telephone for basic communicative functions, reducing Mother Tongue Interference (MTI) with English pronunciation, the differences between American and British pronunciation are some of the aspects taught in the Lab through Communicative Language Teaching (CLT).

## **vi. Internal Quality Assessment Cell (IQAC)**

The cell has been established to coordinate and monitor various academic aspects like seminars and workshops being conducted by various departments of the college from time to time. The academic pursuits are constantly assessed by an expert committee of the cell consisting of eminent academics and the intellectual elite. The committee recommends ways and means for achieving sustenance in quality education and skill enhancement. It also emphasizes the importance of creating conducive conditions for healthy teaching and learning activities on the campus.

## **vii. Career Guidance and Placement Cell**

Realising the need for career guidance and employment for our students in this highly privatized cut-throat competitive world, a Career Guidance and Placement Cell was established on the campus. The unit was inaugurated by Prof. Y. Venkata Rami Reddy, the then Chairman, A.P. Public Service Commission, Hyderabad on 27 February 2010.

The cell also provides necessary training for the final year degree students for acquiring the relevant skills as required by various public and private enterprises. The placement officer, in charge of the cell, is given the responsibility to perform the functions in cooperation with the local and regional employment agencies and training centers.

## **viii. Campus Selections**

It is a matter of pride that many of our students of final year Degree courses confidently faced screening tests, group discussions, interviews and in the end were selected for various positions in reputed corporate companies.

The latest achievement of our students is that 57 of the B.Sc. graduates have got selected for jobs in reputed multi national companies such as TCS, MSN Laboratories, New Vista and ICICI

## **ix. Women Empowerment Cell (WEC)**

The cell has been established keeping in view the large number of women students and staff in the college. It works for the protection

of women's rights and for their empowerment. It aims at curbing the social evils like eve-teasing and ragging by providing necessary counseling and guidance by professional women counselors and NGOs so that the women students gain psychological strength to courageously face the problems in their day to day life.

**x. Indira Gandhi National Open University (IGNOU) Study Centre**

The College has a Study Centre of Indira Gandhi National Open University. Counselling sessions are conducted for the students of Bachelor Degree Programmes in English and Hindi media, P.G. Diplomas in Urban Development and Planning, Rural Development and Certificate Courses in Food and Nutrition, Computation and Disaster Management, Business Skills and Professional courses like BCA, MCA and MBA are also offered. There is a separate library for the centre with 800 volumes in the concerned branches of knowledge. At present, the centre has a student strength of 100.

**xi. Students' Consumer Co-operative Stores**

For the benefit of our students, S.S.B.N. Degree and P.G. College Students Consumer Co-operative Stores was inaugurated by Sri Vasantha Nageswara Rao, Chairman, A.P. Co-operative Bank Limited, Hyderabad on our campus. The store has stationery items such as records, assignments, pens, papers etc. and edible items like snacks required for the students as well as the college staff. The items are sold at reasonably cheaper rates and thus saving the money and the time of the students.

## **SCHOLARSHIPS AND EDUCATIONAL CONCESSIONS**

A number of scholarships under different categories are awarded to the students every year. Applications for all scholarships should be submitted in the prescribed form in the first term of the academic year in the college office.

### **i. Social Welfare Department Scholarships**

### GENERAL RULES

#### a) Admissions

Admissions are made as per the rules and regulations framed by the Commissioner / Director of Collegiate Education, Govt. of Andhra Pradesh, Hyderabad and S.K. University, Anantapur from time to time.

#### b) Re-admission

Candidates are permitted to get re-admission at the beginning of the academic year. There is no re-admission for second, fourth and sixth semesters. If a student fails to write a semester-end examination due to non-payment of examination fee even after getting **minimum attendance** and **attending the internal examinations**, he/she will be promoted to the successive semester on payment of prescribed fee.

Re-admission cannot be given after the expiry of 2 academic years from the date of the discontinuation of the course.

#### c) Attendance

An overall minimum attendance of 75% (including a minimum 60% of Attendance in each subject) is a must for a student to qualify himself / herself to take Semester-End Examinations. However, requests for condonation for shortage of attendance below 75% but not less than 60% will be referred to a special committee headed by the Principal for a decision based on the merits of each case.

#### **d) Dress Code**

Uniform is made mandatory for all students in the college in order to create an ambience of social equality.

#### **e) Discipline**

1. Students are instructed to attend the College in neat and decent uniform prescribed.
2. They should enter their respective classrooms at the stroke of the first bell.
3. They should stand up when the Lecturer enters the classroom and should remain standing until the Lecturer takes his/her seat.
4. They are strictly instructed to be in their respective classrooms during the working hours of the college.
5. No student should enter or leave the classroom without the permission of the Lecturer concerned.
6. Coming late or disturbing the classroom atmosphere attracts disciplinary action.
7. A student should not call another student when the class-work is going on, as it would disturb the whole class.
8. Students should not roam in the varandas or on the campus. They should go to library in case they have no class during a particular hour.
9. Unauthorized absence to the classes without applying for leave will be viewed seriously.
10. No student is allowed to enter the campus with cell phones. If any student is found in possession of cell phones, he/she will be punished according to the disciplinary rules.
11. Students are instructed to carry their identity cards with them daily and should produce them when required.
12. They should not ride their vehicles within the college premises. They must keep the vehicles only at the parking place allotted.
13. Nobody is allowed to smoke on the college premises as it is a no smoking zone.

14. Students are expected to maintain the fair name of the college with their good behaviour both inside and outside the college.
15. The principal has every right to remove any student from the rolls of the college or withhold his / her TC and take such disciplinary action as found necessary if the student is irregular to the classes and violates any of the above rules.

## **ACADEMIC PLAN & ASSESSMENT METHODS**

The college adopted the semester system from the academic year 2005-06 for constant observation and assessment of students' learning. The academic year is divided into two semesters, each consisting of 90 instructional days. The odd semesters (I, III, V) are from June to October and the even semesters (II, IV, VI) are from November to April. Each semester is a complete unit by itself. The instructional methods include conventional lectures, classroom seminars and guest lectures. The syllabi and the model question papers will be provided by the respective Departments.

**As per the guidelines of the UGC, our college introduced Choice Based Credit System (CBCS)** from the academic year 2015-16 for B.A., B.Com, BSc and B.B.M. in order to bring about reforms in the teaching and evaluation methods. CBCS has been followed by various standard national and international institutions to facilitate student mobility within and across countries. This will also bring in uniformity in the evaluation.

**Under Part-I,** In the CBCS system, each language subject is allotted 2 credits.

**Under Part-II,** Each of the major subjects (with practicals) gets 6 credits while each major subjects (without practicals) is allotted credits ranging from 3 to 5 based on the number of papers in each semester.

**Under Part-III,** Each department including English offers a Skill Enhancement Course (SEC) for all the four Semesters and each course is allotted 1 credit. While the SEC offered by the Department of English is common for all the students in all the four semesters, the students have to opt for one Inter Disciplinary Skill Enhancement Course

out of 15 offered by different departments in the first semester and one core SEC in the fourth semester. In addition, four Ability Enhancement Courses (AEC) – Environmental Studies, Citizenship Education (first and second semesters), Human Values and Professional Ethics (third and fourth semesters) are also introduced with 1 credit each.

According to the system 146 credits will be awarded to a student in 3 years for 6 semesters. Out of this 120 credits for core subjects and 16 credits for English and Second Language, 6 credits for Skill Enhancement Course (SEC) and 4 Credits for Ability Enhancement Compulsory Courses (AECC) are allotted.

## **1. Theory assessment**

The college follows a system of evaluation based on Internal Tests and External Semester-End Examinations (SEE). The 100 marks allotted for each theory paper in a semester are distributed with 25 & 75 weightage between Internal Tests and Semester-End Examinations respectively. A student must secure a minimum of 40% marks in

Internal and External Examinations put together for a pass. However, securing a minimum of 35% marks in each paper in the semester-end examinations is mandatory. **Question papers for Semester-End Examinations are prepared by the external examiners according to the syllabi and model question papers approved by the Boards of Studies and the Academic Council.** All students have to write the tests / examinations in the medium as specified by them in their applications. No change of medium will be permitted thereafter. The duration of each course is three (3) years. A student who is not able to complete his/her degree within 3 years, he/ she is given an additional period of 5 years to appear for the supplementary examinations to complete the course. Supplementary candidates will have to take the examinations as per the syllabus and model papers, in force at the time of his/her writing the examinations

### A. Internal assessment

The following are the details of internal assessment

Semester	Form of Assessment	Marks	Remarks
First	Assignments	25	The average marks secured in Assignments / Seminars / Internal Tests in each semester will be taken into consideration for the final assessment.
	Internal Tests	25	
Second	Assignments	25	
	Internal Tests	25	
Third	Seminars	25	
	Internal Tests	25	
Fourth	Assignments	25	
	Internal Tests	25	
Fifth	Internal Tests	25	
	Internal Tests	25	
Sixth	Internal Tests	25	
	Internal Tests	25	

### B. Semester End Examinations (SEE)

Regular Semester-End Examinations (SEE) for odd semesters (I, III, V) are held in October/November and for even Semesters (II, IV, VI) in March/April every year. Supplementary candidates should take their exams at the time of regular semester-end examinations only along with regular candidates. **No seperate supplementary examinations will be conducted under any circumstances.** All

the eligible students shall register their names for the Semester-End Examinations by paying the prescribed examination fee within the stipulated time. The College reserves the right of permitting a student to take Semester-End Examinations on grounds of discipline, attendance, etc.

## 2. Results

**Pass :** To pass any course, a student must secure

- ◆ a minimum of 40% marks both in the Internal Tests and Semester-End Examinations put together.
- ◆ However, a minimum of 35% of marks in each paper in the semester-end examinations is mandatory.
- ◆ a minimum of 40% marks in practical examinations.

The following are the details :

<b>Max. Marks in External Examinations</b>	<b>Min. Pass Marks in External Examinations (35 %)</b>	<b>Min. Pass Marks (40 %)</b>
30 Marks	11 Marks	20 (for 50 Marks)
50 Marks	18 Marks	30 (for 75 Marks)
75 Marks	27 Marks	40 (for 100 Marks)
120 Marks	42 Marks	60 (for 150 Marks)

### **Computation of Cumulative Grade Point Average (CGPA) :**

Computation of CGPA will be carried out at the end of the final Semester based on the credits scored in part-II (Group) subjects only, when the candidate gets through all the semesters. A candidate should obtain a minimum of 5 Grade Points in every course to be eligible for the award of class.

- ≥ 8.25 Distinction
- ≥ 7.75 and less than 8.25 First Class with Distinction
- ≥ 6.75 and less than 7.75 - First Class
- ≥ 5.75 and less than 6.75 - Second Class

Besides, class will also be awarded for languages under part- I and Skill Enhancement Courses (SEC) and Ability Enhancement Compulsory Courses (AECC) under part – III based on the credits scored.

### **Details of the Grades and Grade Points :**

<b>Grade Point</b>	<b>Marks Range</b>	<b>Letter Grade</b>
10	90-100	O (Out Standing)
9	80-89	E (Excellent)
8	75-79	A (Very Good)
7	60-74	B (Good)
6	50-59	C (above Average)
5	40-49	D (Average)
--	<40	F (Fail)
--	AB	ABSENT

### **Computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)**

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$\text{SGPA} (S_i) = \Sigma(C_i \times G_i) / \Sigma C_i$$

$C_i$  = Number of Credits;  $G_i$  = Grade Points

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.  $\text{CGPA} = \Sigma(C_i \times S_i) / \Sigma C_i$

$S_i$  = SGPA ;  $C_i$  = Total number of Credits

The SGPA and CGPA shall be rounded of to 2 decimal points and reported in Grade Cards/Grade Certificates.

Students should write the assignments, participate in the seminars and take the internal tests earnestly without fail. Absence from the above aspects will be viewed very seriously, if prior permission is not obtained from the Principal or Examination Committee.

A separate test will be conducted in the same semester for those students who take prior permission for not attending the regular internal test for valid reasons. Such candidates should register their names with the Controller of Examinations. However, granting permission will be decided on the merits of each case.

As each semester is a complete unit in itself, any deficiency in Internal Assessment cannot be made up in subsequent semesters. If a student is forced to repeat a semester for some reason, all his/her earlier marks in the Internal Assessment will stand cancelled. While repeating the semester, the student has to follow the syllabus and the model question papers which are in force at that time.

Any pass after the stipulated duration of the course will be treated as third class (compartmental), irrespective of the percentage of marks scored. It will be indicated by a star mark (★) in the consolidated marks statement.

### **3. Memorandum of Marks**

Semester-wise marks memoranda will be issued to all registered candidates immediately after the publication of results. Consolidated marks statements, Provisional and Migration Certificates are issued to successful candidates at the end of the course on payment of the prescribed fee. In case of loss or damage, duplicate memoranda will be issued after completing the required legal formalities and payment of the prescribed fee.

### **4. No Cancellation and Betterment**

A successful candidate is not allowed to cancel his/her Internal Tests and Sem End Examination (SEE) marks in theory and practicals and reappear for betterment.

### **5. Award of Degrees**

After successful completion of all six semesters, degrees will be awarded by S.K.University , Anantapur on the recommendations of the College considering the marks and credits obtained by the students in all six semesters.

## 6. APPEALS

### a. Internal Assessment

- ◆ **Valuation :** Any student who has a grievance about the valuation of internal tests may bring it to the notice of the lecturer concerned, but he/she must do so immediately on receipt of the relevant answer script and get it clarified.
- ◆ **Rectification :** Any rectification with regard to the tabulation of Internal Assessment marks, mistakes in the spelling of names, second language, optional subjects etc. , displayed at the time of declaration of results, should be brought immediately to the notice of the Controller of Examinations. Such rectifications should invariably be completed before the preparation and issue of the mark statements of the semester concerned.

### b. Semester Assessment

Representations regarding SEE assessment should be made as noted below to the Controller of Examinations in the relevant proforma along with the prescribed fee receipt.

- ◆ **Personal Identification:** A candidate may apply for Personal Identification of his / her answer scripts of any subject and paper within 10 days from the date of the publication of results.
- ◆ **Revaluation:** A candidate may also apply for revaluation of any paper in any subject within 10 days after the publication of results. The criteria for evaluation are as follows:
  1. The student may be given advantage only when the difference of marks between the first valuation and the re-valuation is 5% and above of the maximum marks.
  2. If the difference is less than 5%, the student concerned will not be given any advantage.
  3. If the difference is more than 20%, the answer script will be sent for third valuation. The marks obtained in the third valuation stand final.
