ANNUAL REPORT 2021-22

Objective:

The primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

Vision:

The Internal Quality Assurance Cell (IQAC), established on 8th July 2007 in our campus according to NAAC guidelines, aim to work towards quality sustenance and enhancement of the academic and administrative performance of the institution.

Mission:

The IQAC plans and decentralizes the various academic and administrative functions/activities of the college. It delegates powers to the various departments on rotation basis to manage the following aspects:

- Parent Teacher Partnership
- Student Discipline & Attendance
- Personal Empowerment/Mentoring
- Student Placement & Welfare
- Add on/Certificate/Diploma Courses
- Student activities
- Faculty recharging programs

Functions of the IQAC:

- » Development and application of quality benchmarks and parameters for academic and administrative activities.
- » Facilitating the creation of a learner-centric environment for participatory and technology enabled teaching learning.
- » Collection and analysis of feedback from all stakeholders on institutional processes and taking necessary action.
- » Dissemination of information to all stakeholders.
- » Organization of inter and intra institutional workshops, seminars.
- » Documentation of the various programmes/activities.
- » Acting as a nodal agency for coordinating quality-related activities, including adoption and dissemination of best practices.
- » Development and maintenance of institutional database.
- » Periodical conduct of Academic and Administrative Audit and its follow-up.
- » Preparation and submission of the Annual Quality Assurance Report.

Skill Development:

In order for students to reach desired competency levels, the SSBN degree college places a strong emphasis on skill development. The college has adopted a curriculum and syllabus that follow the concept of outcome-based education, which puts an emphasis on skill development and learning outcomes.

The college is associated with the Andhra Pradesh government-supported APSSDC, which provides students with skill development. In addition, under the direction of the Placement and Career Development Cell, the institution conducts training for skill development programmes and capacity building programmes for all second- and final-year undergraduate students.

All first- and second-year undergraduate students are offered a number of value-added courses based on skills for their skill development. The value-added courses include Tally Prime, GST and Taxation, Spoken English, Competitive Coaching, CAT, MAT, and I-CET
