Objectives:

Internal Quality Assurance Cell (IQAC) is a significant administrative body that is responsible for quality matters. It is the prime responsibility of IQAC to initiate, plan and supervise various necessary activities to increase the quality of the education imparted in a higher education institution. IQAC facilitates the creation of a learner-centric environment conducive for quality education, and it arranges for feedback responses from students, parents and other stakeholders on quality-related institutional processes.

IQAC has the following objectives:

- To perform various activities like quality management to sustain and improve the quality parameter in various activities taken place in the college
- To assure quality teaching - learning process and documenting various activities and achievements of faculty members and students
- To prepare Annual Quality Assurance Report (AQAR)
- To advocate institutionalization of quality enhancement policies and best practices
- To channelize all efforts and take required measures of the institution towards promoting its holistic academic excellence.

Vision:

The Internal Quality Assurance Cell (IQAC), established on 8th July 2007 in our campus according to NAAC guidelines, aim to work towards quality sustenance and enhancement of the academic and administrative performance of the institution.

Mission:

- Development of quality culture in the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Documentation of the various programmes/activities leading to quality improvement
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC
- To be the driving force for ushering in quality to remove deficiencies and enhance quality
- To channelize and systematize the efforts and measures towards academic excellence
- To assess the annual progress of Departments through timely internal and external audit

Functions:

- Development and application of quality benchmarks and parameters for academic and administrative activities.
- Facilitating the creation of a learner-centric environment for participatory and technology enabled teaching learning.
- Collection and analysis of feedback from all stakeholders on institutional processes and taking necessary action.
- Dissemination of information to all stakeholders.
- Organization of inter and intra institutional workshops, seminars.
- Documentation of the various programmes/activities.
- Acting as a nodal agency for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional database.
- Periodical conduct of Academic and Administrative Audit and its follow-up.
- Preparation and submission of the Annual Quality Assurance Report.

PRINCIPAL
SSBN Degree College (Autonomous)
ANANTHAPURAMU.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. Teachers to represent all level (Three to eight)
3. One member from the Management
4. Few Senior administrative officers
5. One nominee each from local society, Students and Alumni
6. One nominee each from Employers /Industrialists/Stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the

institutional environment. They should be known for their commitment to improving the quality of teaching and learning.

- It is advisable to change the coordinator after two to three years to bring new thoughts and activities in the institution.
- It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of the Coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior/competent person with experience and exposure in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for "education" is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The Institutions are requested to submit the AQAR after one year from date of Accreditation every year. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

The IQACs may create its exclusive window tab on its institutional website for keeping the

records/files of NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation

Outcomes and regularly upload/ report on its activities, as well as for hosting the AQAR.

Revised Accreditation Framework

NAAC has launched Revised Accreditation Framework since July, 2017 and hence AQAR format also modified, in cognizance with the new methodology. The tools and parameters are designed in the new AQAR format are in such a way that the preparation of AQAR would facilitate the HEI's for upcoming cycles of Accreditation. Data collected/prepared infuses quality enhancement measures undertaken during the years. Further, it also adds quality enhancement and quality sustenance measures undertaken in teaching, learning, research, extension and support activities of the Institution. It is

hoped that new AQAR would facilitate Educational Institutions for creating a good database at Institutional level for enhancing the quality culture.

As per the Revised Accreditation Framework (RAF), the NAAC Accredited institutions need to submit the AQAR online. NAAC is in the process of ICT integration in Assessment and Accreditation. The login id for the online submission for AQAR submission will be the e-mail id used for the IIQA. The AQAR submission is part of the post accreditation module, in due course of time. NAAC portal will have the facility to submit the AQAR online and Institutions will receive automated response.

The Higher Education Institutions need not submit the printed/hard copy of AQAR to NAAC.

Significant Contributions

➤ **Environmental Protection:**

It's wonderful to hear that your college is taking initiative to engage students in activities aimed at protecting the environment.

Environmental awareness and action are crucial for sustainable living.

Here are some activities that your college could consider organizing:

- Azadi Amruth Mahostav – Swachh Bharat
- Clean and green program
- Tree plantation program
- Ban on Plastic program

➤ **Awareness Program:**

It's commendable that your college and the Internal Quality Assurance Cell (IQAC) are taking steps to create awareness among students about safeguarding their health through preventive measures. Health awareness programs play a crucial role in fostering a healthy and informed campus community. Here are some potential awareness programs that could be implemented:

- Rally on water
- World AIDS Day

➤ **Health Conscious**

It's great to hear that your college and the Internal Quality Assurance Cell (IQAC) are promoting not only health awareness but also community engagement through initiatives related to blood donation and physical fitness. Here are some program ideas that align with these objectives:

- Blood grouping
- Surya jayanthi

➤ **Commemorative event**

It seems like you are interested in organizing an event that recognizes and celebrates the efforts of individuals making positive contributions to society. Here are some event ideas that align with this theme:

- Commemoration for soldiers
- International Womens Day

Plan of action	Outcomes
It is planned to organize Mega Job Mela during this academic year	Amplifies career prospects, connects students with employers, boosts skills and catalyzes professional growth through networking
Vaccination drive (Booster dose) is planned to organize in the campus to take care of the health of the students	Promotes health ensures safety, cultivates community responsibility and fortifies campus resilience against infectious diseases
Pre-Medical camp is planned to be conduct for the sake of pregnant women	Enhances maternal health, provides prenatal care, educates on wellness, fostering healthier pregnancies and childbirth in communities
Nashamukth Bharat Abhiyaan Awareness Program is planned to be organize to create an awareness on drugs	Raises awareness, prevents drug abuse, fosters a drug-free culture, contributing to a healthier society
Vigilance Awareness Program is planned to be organize to create an awareness on corruption and role of vigilance department	Promotes integrity, combats corruption instills ethical values, fostering a vigilant and accountable community ethos
Program on role of youth in protecting the women and child is planned to organize	Empowers youth advocates, raises awareness, fosters protection for women and children, creating a safer community
Systematic Voters education and electoral participation is planned to conduct	Fosters civic awareness, empowers informed voting, strengthens democratic values for active electoral participation in governance
CRT Program is proposed to conduct	Boosts tech skills, enhances job readiness, fosters adaptability, ensuring success in dynamic tech careers
Self Employment Training Program for Women is planned to organize	Empowers women for entrepreneurial skills, fostering financial independence and economic upliftment through self-employment training programs
On Campus Internship Drive is planned to be conduct in the campus for final year students	Connects students with industry experience enhances employability and cultivates a skilled workforce through internship opportunities on campus

The IQAC successfully implemented the plan of action in the academic year 2022-23. In that the IQAC and CDC successfully conducted the Mega Job Mela to the student for placing into the jobs. The IQAC also organized the Vaccination drive for booster dose for the staff and students and also they organized the Pre-medical camp for the pregnant women's how they much careful for the protecting of their child. The IQAC also took initiatives for creating the awareness on the drugs to the youth how it harmful to our life's. The IQAC conducted the awareness program on the corruption how to avoid the corruption and be a good citizen of a country. The IQAC. The IQAC initiated to create awareness on protecting the women and child, voters education and participation in electoral. The Cell also took responsibility to trained the students and developed the employability skill to conduct the CRT programs and also the IQAC created an opportunity to the women students for developing their skills with the help of employment training program and they can become as an entrepreneurs. The IQAC initiatives conducted the On Campus internship drive to the final year students.

Skill Development:

In order for students to reach desired competency levels, the SSBN degree college places a strong emphasis on skill development. The college has adopted a curriculum and syllabus that follow the concept of outcome-based education, which puts an emphasis on skill development and learning outcomes.

The college is associated with the Andhra Pradesh government-supported APSSDC, which provides students with skill development. In addition, under the direction of the Placement and Career Development Cell, the institution conducts training for skill development programmes and capacity building programmes for all second- and final-year undergraduate students.

Faculty Development Program

Local:

- Our College Faculties attended the Faculty Knowledge Sharing Program organized by **IBS, ICFAI business school at Hotel Rajahamsa, Anantapur, on 26-8-2022**
 - ✧ The faculties acquired the knowledge about how to deliver the subject to the students
 - ✧ They learnt do's and don'ts
 - ✧ The seven faculty members attended for this program

Feedback Action taken report

The institution collects the feedback on curriculum aspects and courses from different stakeholders such as the students, alumni, Faculty and Employers. Institution established Academic Council in order to ensure and analyze the academic excellence at student and faculty levels.

SSBN Degree College thoroughly reviews the curriculum for every academic year. The college maintains an IQAC as a quality consistence and quality enhancement measure. In supervision of IQAC, various departments and committees like Career Guidance, Anti-Ragging and Sexual Harassment Committee, etc reinforce the curriculum by incorporating updated information and diurnal social issues.

Institute collects the feedback through online from stockholders viz. Students and Alumni on Curriculum which is prescribed by the College.

The college conducts annual Alumni Meet, in which suggestions and feedback is received from Alumni students. The collected feedback data is presented to the Academic Council Meeting for necessary implementation in curriculum.

Respondents	Responses	Action Taken
Students	<ul style="list-style-type: none"> ● Classroom ambience for curriculum delivery ● Teachers approach towards overall development ● Follow-up by mentors on assigned tasks ● Transparency in evaluation system ● Quality of teaching during the entire programme ● Infrastructure facilities 	<ul style="list-style-type: none"> ● Courses in terms of latest or future technologies ● Quality and relevance of the courses in the curriculum ● To provide the facilities like fan, tubes etc.. in the class rooms and labs
Alumni	<ul style="list-style-type: none"> ● Quality of course and project work ● Clarity and relevance of classroom and teaching material ● Dissemination of expected competencies, course outcomes and programme outcomes ● Encouragement to extra-curricular activities ● Provide Guest lectures for career development of students 	<ul style="list-style-type: none"> ● Curriculum to aid employment ● Relevance of the syllabus in real life situations ● Focus on research during the program ● Alumni guest lectures will be conduct

Recommendations of IQAC

It's positive to note that the feedback analysis indicates satisfaction among respondents regarding the overall teaching-learning processes, academic facilities, and activities conducted by the institution. This suggests that the institution is succeeding in its efforts to provide a conducive learning environment and build graduates with skills suitable for the industry.

However, the analysis also highlights the need for curriculum enrichment and the adoption of courses that are both the latest and relevant. This feedback is valuable, as it indicates an opportunity for the

institution to enhance its curriculum to better meet the evolving needs of the industry and keep pace with advancements in various fields.

The mention of affiliation with Sri Krishnadevaraya University, Anantapuramu, and the flexibility the institution has over the curriculum framework are noteworthy. It implies that the institution has the autonomy to shape its curriculum within the guidelines set by the university. This flexibility can be utilized to incorporate new and relevant courses, ensuring that the curriculum remains dynamic and aligned with industry requirements.

In summary, while there is overall satisfaction, the feedback also provides constructive insights for improvement. The institution has the opportunity to enhance its curriculum, ensuring it stays current and meets the demands of the rapidly evolving professional landscape.

IQAC recommends the following measures to bridge the gaps in curriculum as obtained from the feedback analysis:

- The IQAC recommends the implementation of more activities under these MOU's for the next academic year so that it would aid in bridging the gap between industry and academia as well as provide students with a global perspective. The IQAC also looks forward to improving industry connections with reputed organizations.
- The IQAC advises departments to organize more webinars/ workshops/ seminars in conjunction with industry and reputed universities to mould students on recent technological advancements. The Cell also recommends the departments to conduct programs related to career advancements, higher studies and entrepreneurship.
- The IQAC Advises departments to encourage students to complete their project work on their respective fields
- The IQAC makes recommendation to departments to apply for funding from government and non-government agencies towards organizing Conferences/Workshops/Seminars which would aid in Skill bounding
